[Windows 10: Critical Updates KB4035631 And KB4035632](#)

---

**Sometimes it's the little things.**

It's the shoulder kisses and cooked breakfasts  
and the "drive safe" texts.

It's those things that for some reason  
make you feel more loved than  
you ever have before.

It's easy to plan elaborate nights out  
but when someone can make you feel so happy  
just by doing the smallest things,  
that's when you know you've  
got something special
